HKEXnews Website Tutorial

Welcome to the enhanced HKEXnews Website

HKEXnews Website has been enhanced with new layout designs and features. Visitors will experience a new way to navigate the website and customisation for mobile phones and tablets.

The enhanced website continues to provide access to regulatory filings and disclosures of Hong Kong listed companies. Website functionalities remain unchanged and the same wide range of contents¹ continue to be available to visitors.

In the enhanced website, you will be able to see new features and improvements that aim to improve visitors' browsing experience and facilitate faster access to information. Global header and footer are introduced for easy navigation. Web contents have been categorized to facilitate easier navigation via the main menu. Some major search functions are brought forward to the homepage for direct access. Information which used to appear on several pages is merged into one for direct access, thus bringing information upfront and reducing the number of clicks for quicker navigation.

Learn more about the enhanced website and its new features:
