

Search Guide for Listed Company Information - Simple Search

The Listed Company Information Simple Search allows users to search the **latest** or **last seven days** listed company documents published on the HKEXnews website by using either a **Predefined Search** or a **Keyword Search** with minimum search parameters.

The screenshot shows the HKEXnews website's Simple Search page. The page title is "SIMPLE SEARCH" under "Listed Company Publications > Predefined Documents". The search interface includes a "Search Method" dropdown menu with options like "Financial Statements/ESG Information", "IPO Allotment Results", "Notices of General Meetings", "Prospectuses", "Results Announcements", "Results of General Meetings", and "Resumption / Suspension / Trading Halt". The "Period" is set to "Last 7 days" (selected over "Latest"). The "Sort by" is set to "Date/time" (selected over "Stock Code"). There are "Search" and "Clear" buttons. A "Keyword Search for Headline Categories" section is also visible with an "AND" dropdown and input fields. Callouts point to the "Predefined Search" dropdown, the "Period" selection, the "Sort by" selection, and the "Keyword Search" section.

Predefined Search

The Predefined Search allows you to select listed company documents from a predefined list of frequently requested documents. By default, documents published in the last seven days will be displayed. The latest listed company documents will be displayed by clicking the "Latest" button.

For example, if you select "Financial Statements/ESG Information" and "Last 7 days", all annual reports, interim / half-year reports, quarterly reports, financial disclosures or reports of structured products issuers and financial reports of debt securities published in the last seven days will be shown.

The screenshot shows the search results page for a predefined search. The search criteria are: "From Date: 27/04/2018 To Date: 04/05/2018" and "Predefined Document: Financial Statements/ESG Information (Annual Report ; Financial Disclosure or Report - Structured Products Issuer ; Financial Report - Debt Securities ; Interim/Half-Year Report ; Quarterly Report)". The results show 1 record found. The table below displays the search results:

Release Time	Code	Stock Name	Document
03/05/2018 17:38	88888	88888 ENG	(Headlines Revised) Financial Statements/ESG Information - [Interim/Half-Year Report / Quarterly Report / ...More] TESTIN ROUND 3 GEM (26KB, XLS)

A "Search Again" button is located at the bottom of the results section.

For details of Predefined Documents, you can click the **Details** button to view the full list and the headline categories of the corresponding listed company documents.

Keyword Search

The Keyword Search allows you to search listed company documents of headline categories matched with your search keyword(s). By default, documents published in the last seven days will be displayed. The latest listed company documents will be displayed by clicking the “Latest” button.

For example, if you enter “financial statement” in Keyword Search and select “Last 7 days”, all headline categories with contents of “financial statement” will be presented for selection.

The screenshot shows the HKEX news website interface. At the top, there are navigation tabs: LISTED COMPANY PUBLICATIONS, SHAREHOLDING DISCLOSURES, NEW LISTINGS, and EXCHANGE REPORTS. Below the navigation, the page title is "Listed Company Publications > Predefined Documents" and "SIMPLE SEARCH". The search results are displayed in a box titled "Listed Company Information Simple Search - Keyword Search". It shows the search criteria: "From Date: 27/04/2018 To Date: 04/05/2018" and "Keyword: financial statement". Below this, there is a table of "Matched records 1 to 6 (Total records found: 6)".

Headline Categories	Documents Count
